

**SAS Meeting Minutes**  
**Thursday, February 17, 2011**  
**8:30-9:00am**

**Attending:** Pat Base, Greg Endicott, Lynn McCormack, Jessica Monokroussos, Claire Shely, and Rhonda Singleton

**Absent:** Jarett DeAngelis, Angie Schumacher

**Excused:** Beverly Holt

The meeting convened at 8:30 am in 339 O'Shaughnessy. Discussion followed about the workshop that took place in January. Greg Endicott, who oversaw the event, happily noted that all the feedback received from the staff survey circulated was very positive. Plans for the January 2012 workshop will be discussed Fall 2011. Discussion moved ahead to a spring break tour and inquiry about a College summer trip or event. For the spring break tour, Pat Base volunteered to coordinate a tour of various statues around campus. Information will be circulated to staff when available. Jessica Monokroussos will contact the Dean's Office to see if there are funds for a Chicago trip to the Art Institute in late May or early June, after determining what a trip of that nature might cost, or if funds are low what might we be able to do. The meeting adjourned at 9:00.

Respectfully submitted,

Lynn McCormack  
Secretary
