Lunch and Learns:

- May 27 – Geoff Layman to speak about the Indiana primary election per Olivia.
- Virtual social lunch meetings will be planned for a few weeks from now in order to ease up on Zoom fatigue.

Event Planning:

- Board and Brush – We have not lost our deposit (bill is paid in full). Kristine to ask Board and Brush what our options are for rescheduling. The week beginning August 10th (before classes start) would be optimal. The worse case scenario would be to have everyone pick up their own kits and do our projects together via a zoom meeting.
- End of year event – Postcard mailing from the SAS Committee. Olivia to design and print postcards and purchase stamps. Those who are able to address and mail the cards will pick up the cards and postage at Olivia's house. Hand writing the addresses and signing your name on behalf of SAS will add a personal touch. Allison will gather addresses for us.

Other:

- The SAS Committee President position is vacant and will need to be filled by fall. Think about volunteering or nominating somebody.

Allison and Michelle:

- There will be no staff appreciation lunch this year. If anybody has an inexpensive idea for honoring the staff in some other way, please send an email to Michelle.

See you in August for our next SAS meeting! Have a great summer and be safe!
